

# W24L100-CHA2TR

## 23.8" Chassis Transflective Display

### KEY FEATURES

- 23.8", 1920 x 1080
- VGA and HDMI input
- Chassis
- VESA mount
- Transflective

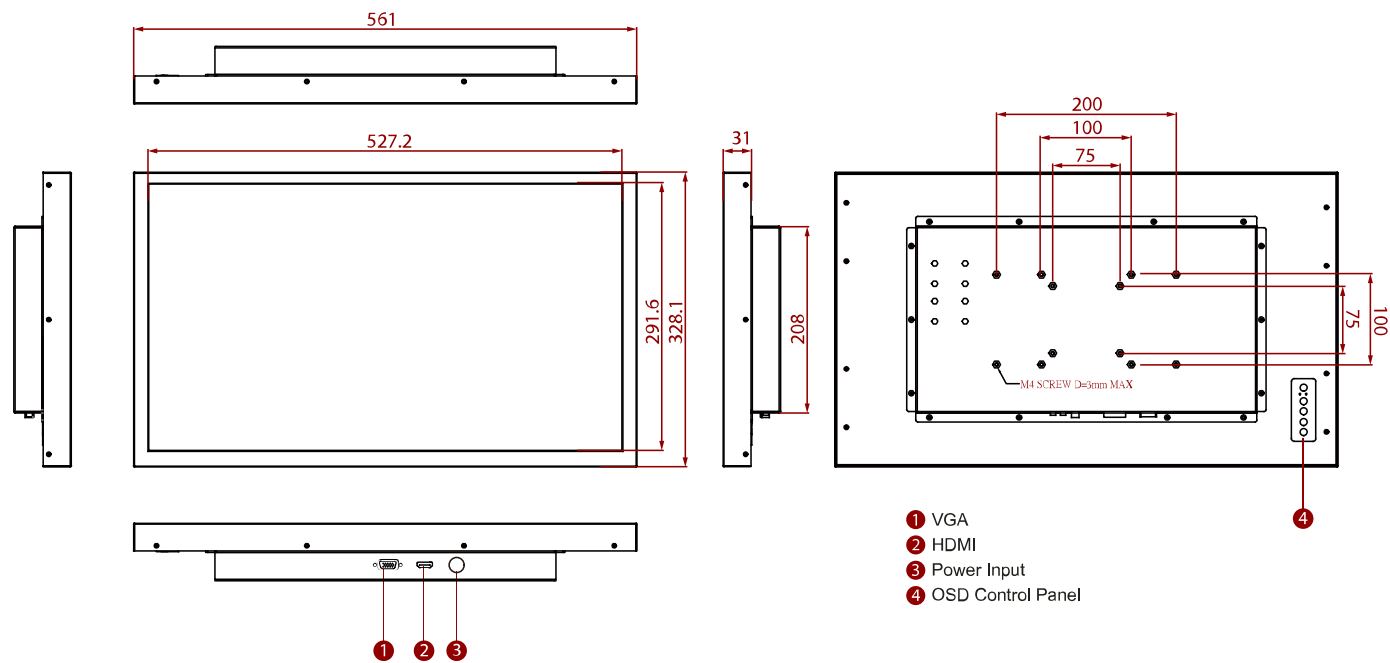

### SPECIFICATIONS

| Display             |                                                                                                                        |                       |                                                                                                                          |
