

## RACK-305G

4U 14-slot Full-size Rackmount Chassis

## Features

- » RoHS compliant design
- » Two USB ports on the front panel
- » Dual reset buttons for dual systems
- » Two 8 cm cooling fans with replaceable fan filters
- » Lockable door prevents unauthorized access

## Specifications

|                             |                                                         |
|-----------------------------|---------------------------------------------------------|
| Form factor                 |                                                         |
| SBC Form Factor             | Full-size, slot CPU card                                |
| I/O Interface               |                                                         |
| I/O Ports                   | 2 x USB                                                 |
| Expansion Slots             |                                                         |
| Expansion Slots             | 14 slots for RACK-305G                                  |
|                             | 7 slots for RACK-305GATX                                |
| System                      |                                                         |
| Cooling method / System Fan | 2 x 8 cm                                                |
| Drive Bays                  | 3 x 5.25" + 1 x 3.5" HDD                                |
|                             | or 2 x 5.25" + 2 x 3.5" HDD                             |
|                             | or 2 x 5.25" + 1 x 3.5" HDD + 1 x front accessible 3.5" |
|                             | or 2 x 5.25" + 2 x front accessible 3.5"                |
| Indicator&Buttons           |                                                         |
| Buttons                     | 1 x Power switch, 2 x reset buttons                     |
| Indicators                  | Power, HDD                                              |
| Physical Characteristics    |                                                         |
| Construction                | Heavy duty metal                                        |
| Color                       |                                                         |
| Color                       | W: White/B: Black                                       |
| Dimensions                  |                                                         |
| Dimensions                  | 413 mm x 431 mm x 176 mm                                |
| Weight                      |                                                         |
| Weight                      | 10.4 kg/15 kg(Net/Gross)                                |
| Environment                 |                                                         |
