Operation Conditions

Working Temperature
0°C~+40°C/10~80%RH

IP Rating
IP20

Physical Parameter

Pixel Pitch
4mm

Diode Type
3-in-1 2121

Pixel Configuration
240x135

4.0 IFR-CL Indoor LED

Features Spec Compare

Color Temperature
6,500K+-500K(floating Bin)

Electrical Parameter

Video Rate
50/60Hz

Input Voltage (alternating current)
100~240VAC

Power Frequency
50/60Hz

Power Consumption (Max)
510W

Refresh Rate (Hz)
3240Hz

Certification and Compliance

Safety
60950-1

EMC
Class A
